

About the University of Dayton Arena Percussion World Championships

- The arena is basically situated on three floors:
 - The lower level is the contest floor, entrances and exits for the contest floor, inspection, unit first aid and staging area.
 - The walk-in level is the warm up areas, ticket office, entrance to the arena for competing units, entrances for spectators and non-performing units..
 - On the upper level is Headquarters (entrance on first level, south end).
- Parking for units and spectators is abundant. See maps for details and for traffic flow.
- Minimal dressing facilities are available. It is recommended that performing members arrive at the arena in competitive attire.
- A 30' tall black drape will adorn the back wall of the competition area.
- The floor is rubberized composite. A beige tarp will cover the entire competition area.
- The competition area is 63' x 106'. Please see the floor plan for more details.
- An electrical outlet will be available at the front and back side lines.
- **Units should not report to the Performance Check-In at warm up until your report time. Participant wristbands will allow entrance at regular doors. ONLY UNITS REPORTING FOR COMPETITION SHOULD GO TO PERFORMANCE CHECK-IN.**
- **Please remember to bring your MP3 Player to turn in at Performance Check-In.**
- **Your unit MUST check in at Championship Headquarters at the UD Arena prior to your prelims performance no matter what venue your prelims is located to pick up all contest material. Those units who do not check in at Championship Headquarters may be denied entrance to the facility.**
